Using this attachment

This document supplements the Exhibitor Application and the General Terms and Conditions for ASWA EXPO 2027. Each standard stand size has its own floor plan, stand views and list of included equipment.

Drawings and configurations

The drawings show illustrative stand layouts. The final configuration depends on the technical plan and hall layout. For each of the 32, 40 and 49 m² stand sizes, two alternative Octagonal configurations are shown. One has three enclosed sides and the other has a storage room.

Standard fit-out

The base fit-out price for a given stand size is the same regardless of the configuration selected. The standard fit-out covers the items listed for the relevant stand size. Additional equipment, custom branding, special technical requirements, utility connections and other services are agreed separately.

Standard stand sizes

12 m² 4 × 3 m — 3	**15 m²** 5 × 3 m — 4	**18 m²** 6 × 3 m — 5
21 m² 7 × 3 m — 6	**32 m²** 8 × 4 m — 7-8	**40 m²** 10 × 4 m — 9-10
49 m² 7 × 7 m — 11-12	**80 m²** 10 × 8 m — 13	**120 m²** 12 × 10 m — 14

FULL OCTAGONAL

12 m²
